SUPERVISORS HOLD REGULAR MEETING

BERESFORD REALTY OWNERS PUT UP A STRONG FIGHT AGAINST ROAD LIGHTS.

Supervisors Dodge Expensive Litigation and Delay By Paying For Road Rights of Way.

The Board of Supervisors met in regular session Monday, August 3d, there being present Wm. H. Brown, presiding, Jas. T. Casey, John MacBain, Joseph M. Francis and D. E. Blackburn.

The minutes of the last regular meting were read and approved.

The following liquor dealers who had complied with the county ordinance and furnished the necessary bond were granted licenses:

First township—A. D. Jenevein, San Bruno; Belli & Co., Colma; Carl Lovegrin, Millbrae; S. Hutchinson, Colma.

Second township—John F. McCann, San Mateo.

Fourth township—Frank Campbell, Halfmoon Bay ;A. T. Gilcrest, Halfmoon Bay; Angelo Boitano, Halfmoon Bay; G. Patroni, Halfmoon Bay.

Fifth township—John Marshall, San Gregorio; C. Gianola, Pescadero.

The following applications for liquor licenses were given first reading and will be acted upon a month hence:

First township—L. Gu toni, Tobin; A. Stampanoni, Colma; A. Mencacci, Tobin; G. Giann , San Bruno; P. D. Sullivan, class B, San Bruno.

Third township—Neuman Bros., class B, Woodside.

Fourth township—Carlo de Lucca, Halfmoon Bay; H. Levy, class B, Halfmoon Bay; John Fanucchi, class B, Halfmoon Bay.

Fifth township—Antone Bennett, Pescadero.

It was ordered, on motion of MacBain, seconded by Casey, that W. A. Maloney be permitted to withdraw his application for a class A license in the Third township.

It was ordered, on motion of Blackburn, seconded by MacBain, that the application of F. S. Duarte for a class A licenses at Pescadero be again laid over for two weeks.

The petition of Fred L. Clark and others, presented at the last meeting, asking that a highway lighting district be established at Beresford, in the Second Road District, was taken up.

Attorneys Lee T. Ross, N. A. Eisner and H. H. McCloskey, who were present to oppose the formation of the district contended that the petition was insufficient because some of the signers were not on the assessment roll. Further hearing of the matter was postponed until the afternoon session.

A petition signed by Thomas Harrison and others of Colma, asking that an additional light be placed in that district was granted on motion of Casey, seconded by Brown.

The applications of Ida Levin of Daly City for State aid for the support of her two half-orphan children, and Martha Chapman of Burlingame for the support of her abandoned child were granted on motion of Casey, seconded by MacBain.

Simi Kushner of Daly City, aged 39, applied for aid from the Indigent fund, claiming that by reason of spinal trouble he was unable to earn a livelihood. The application was granted on motion of Casey, seconded by MacBain.

Eugene Pescaro of Daly City was granted a licenses to peddle dry goods on motion of Casey, seconded by Blackburn.

A petition signed by Edward Kirkpatrick and others was received, asking that a public road be laid out, beginning at a point in the road leading from Colma to Halfmoon Bay, and running to the Ocean Shore Railroad station at Tobin.

It was ordered by the chairman that the petition be referred to the District Attorney.

The communication received at the last meeting from J. J. Welch, notifying the board that he was no longer connected with the Bolcoff saloon at Millbrae was taken up.

Mrs. Madeline Welch testified that her husband was temporarily absent on a theatrical tour and that in the meantime she was conducting the saloon. She was satisfied that the letter purporting to be written by her husband was a forgery.

Since the law requires that the holder of a license must be in direct charge of his place of business it was ordered, on motion of MacBain, seconded by Casey, that the license issued to Welch be canceled and that his wife apply for a permit in her own name.

Dr. W. G. Beattie, the County Health Officer, called to testify as to the correctness of the claim of Dr. E. A. Bohm of San Bruno for giving medical attention to an indigent family, informed the board that he had no knowledge of what services Dr. Bohm had performed, as he had not been consulted in the matter.

It was ordered, on motion of MacBain, seconded by Blackburn, that Dr. Bohm's claim, amounting to $125, be rejected.

The affidavit of L. Bacci, presented at the last meeting, charging that the Hotel Italia and the Colma Hotel in the First township, were conducted in a disorderly manner, was taken up for hearing.

A petition, signed by a number of Colma residents, was read testifying to the good repute of the two places.

L. Bacci, the complainant, testified that he wished to withdraw his complaint as he had been informed that the proprietors of the saloons had employed a special policeman to keep order at their places.

J. H. Taghetti, the proprietor, and Mrs. Demartini, the owner of the property, both made statements to the board, after which further hearing was continued until the afternoon session.

The following bids were received for constructing 1.581 miles of the Redwood City to San Gregorio road at Woodside:

Roadamite Supply Company, $19,880.50.

Blanchard-Brown Company, $19,960.82.

Daniel Flynn, $16,791.60.

It was ordered on motion of Francis, seconded by Blackburn, that the contract be awarded to Daniel Flynn, the lowest bidder. The Surveyor's estimate for the work was $16,462.50.

J. A. Olsen appeared on behalf of D. David and Chas. H. Kendrick, a real estate firm, and asked that a deed made by Leonora S. Duhring, granting a right of way for a certain roadway in the Fourth district be accepted.

R. F. Chilcott, representing Mrs. Duhring, stated that for good and sufficient reasons she had concluded not to transfer the property in question.

It was ordered, on motion of Blackburn, seconded by Francis, that the matter be indefinitely postponed.

Adjourned for the noon recess.

Afternoon Session

The board reconvened at 1:35, all of the members answering the rollcall.

The complaint against the Hotel Italia and the Colma Hotel in the First township was taken up. It was ordered, on motion of MacBain, seconded by Casey, that dancing at these places be prohibited.

The application for the formation of a lighting district at Beresford was taken up for final action. It was shown by the testimony of Roy Curan, searcher of records, that the petition had the requisite number of taxpayer signatures.

Attorneys Eisner, Ross and McCloskey took exception to the large territory included in the proposed district.

It was recommended by the District Attorney that the board fix a date for the election and that in the meantime the legality of the petition could be ascertained and the proceedings canceled if advisable.

A resolution fixing the date of election at August 28th was presented by Brown, who surrendered the chair to Francis, and moved its adoption. There was no second to Brown's motion and it was declared lost.

It was agreed to adjourn to the following Wednesday for the purpose of reconsidering the matter.

A committee of women representing the California Federation of Woman's Clubs, of California, of which Mrs. C. E. Cumberson was spokesman, appeared before the board and asked that $250 be appropriated to erect Mission bells on El Camino Real through the county.

It was ordered on motion of Blackburn, seconded by Francis, that the amount be appropriated, to be paid in December.

A communication was received from Assemblyman Brown, informing the board that at the last session of the legislature he had succeeded in securing the passage through both houses of a bill appropriating $10,000 for the construction of a road from Pescadero into the State Redwood Park, but that the bill did not receive the the Governor's signature. He recommended that San Mateo and Santa Cruz counties join in a movement to have the road built, they to pay two-thirds of the cost and the State one-third, in accordance with an act of legislature. The communication was accepted and filed.

A communication was received from the Inland Waterways Association asking the board to appoint ten delegates to a convention to be held at Stockton, the date of which will be announced in the near future. The communication was accepted and ordered filed.

A communication was received from the Pacific Gas and Electric Company, notifying the board that the contract to furnish current to the Menlo Park Lighting District will shortly expire.

The clerk was directed, on motion of MacBain, seconded by Casey to advertise for bids for supplying the district with electric current.

James T. O'Keefe, acting for Manuel Francis of La Honda, filed a claim of $167.50 against A. Mattson, who recently constructed a bridge across the Bogess creek in the Fifth district.

The claim was accepted and ordered filed.

On motion of MacBain, seconded by Casey, the bid of A. Hess for $2587.50 for the construction of Albion avenue at Woodside was accepted.

The application of the Federal Construction Company for an extension of sixty days on its contract to construct the Middlefield road was granted on motion of MacBain, seconded by Blackburn.

District Attorney Swart reported that the petition for a crossing over the tracks of the Southern Pacific Company and the United Railroads at San Bruno had been granted by the Railroad Commission.

On the recommendation of the District Attorney, the object being to save the cost of litigation and delay, it was ordered, on motion of Casey, seconded by Blackburn, that the county settle with R. S. Thornton for $2000 and the Carroll estate $1350 for rights of way for road from Colma to Halfmoon Bay, which road is now under construction. Brown and Francis voted "no" on the motion.

Casey reported that the United Railroads was willing to surrender its franchise for one of its tracks at Visitacion, which would give ample room for the county road. The matter was referred to the District Attorney.

A petition was received from residents of Halfmoon Bay asking that five additional lights be placed in that lighting district. Granted on motion of Francis, seconded by MacBain.

D. R. Staford offered to furnish sanitary paper towling to the courthouse at a cost of $12 for 7600 feet. Referred to the Courthouse committee.

Notice was received from the Southern Pacific Company order-

CITY OFFICIAL PAPER

D. E. O'KEEFE, Editor and Proprietor

For U. S. Senator,
SAMUEL M. SHORTRIDGE.
For Governor,
JOHN D. FREDERICKS.

Senator Samuel M. Shortridge of San Mateo county, if you please.

Captain John D. Fredericks is the next governor of the State of California, without doubt.

It is not a case of "will A. McSweeny be elected tax collector," but how great will be his majority.

H. O. Heiner has a cinch on the recordership. His most enthusiastic friends place his majority at 2000.

P. P. Chamberlain for treasurer and C. D. Hayward for assessor make a winning team. It would be very difficult to beat that combination.

John D. Murphy should receive your support for associate justice of the supreme court. Judge Murphy would be an acquisition to our supreme bench.

Henry Ward Brown has made an excellent assemblyman. He should be re-elected. The voters of San Mateo county know his worth and are going to keep him in the legislature.

We join the countless number this week in expressing our sorrow at the untimely passing of Mrs. Woodrow Wilson, wife of the President of the United States. Mrs. Wilson was a faithful wife, an ideal mother, and represented the highest type of American womanhood. We know that we but voice the sentiment of all our readers in extending to our distinguished President our heartfelt sympathy in his great sorrow.

From time to time as the campaign progresses we will voice our sentiments regarding candidates for state offices. We will vote for and support Mr. A. J. Cloud of San Francisco for state superintendent of public instruction. Mr. Cloud is a man possessed of all the qualifications necessary for this office. He is a graduate of the University of California. For eight years he taught in the Lowell High School of San Francisco and for the past five years has served as assistant superintendent of schools of San Francisco. A vote for Mr. Cloud will be well placed.

The office of coroner, carrying with it, as it does, the added duties of public administrator, is one in the selection of which the voter should exercise the greatest care. Called upon frequently to determine the cause of death, where mysterious circumstances seem to be in evidence, the office of coroner should unquestionably be in the hands of a practicing physician of repute and experience. As public administrator, this official is called upon to take charge, under the law, of the estates of persons who may die without leaving expressed directions as to the disposition of their property. For this reason the office should be in the hands of a person whose record is well known in the county and in whom the people may have the utmost confidence.

In Dr. H. G. Plymire the voter will find a man who thoroughly comes up to this standard. His standing in the medical profession is unquestioned and with his extensive experience he is well qualified to determine the question as to the necessity of involving the county in the expense of investigating seemingly mystersous cases of death. Long a resident of the county, his integrity is unquestioned and entire confidence can be placed in his handling of estates which under the law may fall to his charge.

That the strictest conception of personal integrity is an essential trait in the character of the judge of any court of law may be accepted as a maxim, yet this is far from the only important qualification. Nor is it sufficient that, coupled with this, he be well versed in the knowledge of the law. Added to these two important qualifications, it is essential that a judicial officer should be a man of an analytical turn of mind, capable of discerning the intricacies of the many involved questions which he must be called upon to determine.

As to the first of these qualifications, it may be an easy matter for the observant public to decide. The latter two, however, are generally beyond the determination of the ordinary layman. These can be thoroughly known only to the skilled attorney whose duty has called him to practice before the court over which the judge presides.

That Judge Buck is possessed to a full degree of all these qualifications seems to be an accepted fact. During the long years he has resided in this community his personal integrity, either as an official or a private citizen, has never been questioned. That he is fully equipped with the remaining essential qualifications has been thoroughly testified by the unanimous endorsement of the attorneys who have been called upon to practice before the Superior Court of this county, over which he has presided for so many years. Rarely in the history of our courts has there been witnessed so strong an expression of confidence on the part of attorneys as was shown in the unanimous endorsement recently given in open court to Judge Buck by the local Bar Association, whose membership includes every resident attorney.

ASSEMBLYMAN BROWN AN ADVOCATE OF PARK ROAD

Assemblyman Henry Ward Brown sent the following communication to the supervisors and same was read at at meeting of the board held last Monday.

To the Honorable Board of Supervisors, of San Mateo County: Gentlemen—I note in the county papers, that your Board will take up for consideration, a proposition, presented by Hon. George C. Ross, to construct a road to the California Redwood Park in Santa Cruz county, from Pescadero or its vicinity. I have for years been interested in the construction of such a road.

At the last session ofthe Legislature, I secured the passage of a bill by that body, carrying and appropriation of $10,000 to be used in surveying and building a road from Pescadero, or vicinity to said park, the route to be selected and the work done under the supervision of the State engineering department.

There was another bill, carrying an appropriation of $70,000, backed up by the Sempivirens Club, other associations, public bodies, and influential persons, which provided for the construction of a road from Saratoga Gap to the park on the east side. This latter bill was signed by the Governor, and mine got the "pocket veto."

I can assure you, that it is not an easy matter to get a bill through the legislature, carrying an appropriation for the construction of a state highway, or even for maintenance after construction. I fought mine through single handed, while the other was boosted and pushed along by all kinds of influence. I did all that I could to help the passage of the bill for the Saratoga road, and am very glad that it is going to be built. I regret very much that the Governor didn't see the necessity of signing my bill. The Saratoga road will be of no direct benefit to this county, as I understand it, unless a connecting road is built to it through this county, or a road on the coast side is built to the park. Both of these roads should be built.

I think that this county and Santa Cruz county should get together, and construct a road on the coast side for entrance to the park.

The road now provided for on the east side, will I believe, be extended through the park to its west side; in which case the building of a road on the coast side becomes imperative, in the interest of the traveling public, and particularly for the benefit of the residents in this and Santa Cruz counties.

The late legislature passed a law entitled, "An act providing for the construction and maintenance by the state of state aid highways in counties and towns." See Statutes of California, 1913, page 461.

Under this law a county is to pay two-thirds of the cost of construction, and the state one-tihrd. The cost of repair and maintenance is to be equally divdied between a county and the state. The work is to be done under the supervision of the state department of engineering.

If this county and Santa Cruz county would co-operate under this law, it might be possible to get the approval of the state department of engineering for the construction of such a road, into the park; in which case it would be unnecessary to get a bill through the legislature for a special appropriation, as has heretofore been necessary.

San Mateo is spending so much of its own money for the construction of highways, that, as a matter of simple justice, it should receive state aid under the law above referred to, for the construction of a road which would be extensively used by the people of the whole state, who are attracted to he park by its wonderful and beautiful trees, and unrivaled natural scenery.

I wrote a letter to Governor Johnson, urging him to sign my bill, (Assembly Bill No. 285) when it was in his hands for action, a copy of which letter I enclose.

Respectfully yours, Henry Ward Brown.

On motion of Francis, seconded by Brown, Emelia Oliveira, an indigent person of the Fourth township, was allowed the sum of $8 a month.

Marie S. Miller of Daly City petitioned the board for State aid for her two half-orphan children, Luther E. and Presley O. Miller. On motion of Francis, seconded by MacBain, the prayer of the petitioner was granted.

George C. Ross appeared before the board in reference to the construction of the highway from Pescadero to the Big Basin. Mr. Ross read a lengthy communication from Dr. Bullitt, addressed to James McCormick, in which he made the statement that the supervisors of Santa Cruz county would continue the proposed road from the San Mateo county line to the State Park. Mr. Ross stated that there would be a meeting of the citizens of Pescadero on the 15th instant to discuss the matter of building the road and that the supervisors of Santa Cruz county would be present, together with other prominent men of that county.

The petition of the citizens of Beresford for the formation of a lighting district at that place was withdrawn at the request of R. E. Callaghan and on motion of MacBain, seconded by Casey. Lee T. Ross persented a petition with nine signatures that appeared on the original petition, asking that their names be taken off the latter. A Businesslike Campaign.

The campaign of Kenneth M. Green for the district attorneyship—a campaign conducted strictly along business lines and for an office through which the legal business of the county must pass—is proving an effective one.

Mr. Green makes no appeal for poverty, nor does he offer himself upon the matrimonial market in exchange for a vote. His only claims are based upon his integrty and legal ability.

Reared and educated in San Mateo county and a successful practitioner, Mr. Green's ambition to serve his country is a laudable one. Home industry in lawyers is as much to be commended as is home industry along commercial lines. It is unnecessary to import legal talent as it is to bring coals to Newcastle.

During a former campaign, when Mr. Green sought the office of district attorney, the claim was made that his youth was against him. That claim no longer holds good. Kenneth M. Green, ripened in years and legal experience, now seeks the support of the voters of San Mateo county, confident that the intervening four years, and the varied practce he has experienced during those four years have added greatly to his capabilities. Viewing the question of age from another angle, is there not a possibility that the same four years which matured Mr. Green may have caused others to seek the office to become over ripe.

Life tenure is not mentioned in the law which creates the office of district attorney. New blood invariably infuses new life. Kenneth M. Green, a young man, ambitious to attain greater heights in his chosen profession of the honest desire to make good among his home folks. He wants to feel that, as he forges ahead in life's struggle, the people who know him longest and best will have reason to be his strongest supporters.

The duties of a district attorney are not so difficult as to require a Webster, a Choate or a Butler to discharge them, nor are the emoluments of office so great as to cause one to make a profession of district attorneyships. A single term should so thoroughly establish the right lawyer that he could not resist the call to a greater and better field.

Although Kenneth M. Green is the only Republican candidate for the office in a county where registration record shows the Republican voters to be in an overwhelming majority, Mr. Green is not making a partisan fight. His appeal is to the voters of San Mateo county, irrespective of party affiliations, and he bases his appeal entirely upon his qualifications for the office—San Mateo News.

'Pacific Service' makes Ironing Easy

The old drugery of ironing day is done away with in the home that has "Pacific Service."

It is no longer necessary to keep the old fashioned irons hot and the cook stove at a red heat.

With "Pacific Service" in your home, the ironing can be done in any room that may be desired. After attaching the wire of the electric iron to the lamp socket, simply turn the electric button and the iron becomes hot.

YOU WILL NEVER REGRET BUYING AN ELECTRIC IRON.

Plans for Gymnasium Work

At a public meeting held at the Horace Hawes Gymnasium on Wednesday evening, several matters of interest were considered.

Plans were made to circulate subsubscription papers for the salary and expenses of a physical instructor from Stanford University, the purchase of some much needed apparatus, not to exceed $70 in value, the payment of a competent caretaker, the lighting of the gymnasium and other expenses.

Adults will be asked to subscribe $5 each for the support of the gymnasium, and are to have the advantage of thirty-four lessons during the year in physical culture under an instructor chosen by H W. Young men and women between sixteen and twenty-one years will be asked to subscribe $2.50 each, which will entitle them to the thirty-four lessons during the year in physical culture.

Then parents of boys between eleven and sixteen years will be asked to subscribe $1 each for which innstruction will be given weeklly to one boy for thirty-four weeks.

On next Wednesday evening the chairman will select a committee of three men and two women to circulate these subscription papres that funds may be secured for the support of the gymnasium.

After spending more than $1200 of public money in repairing and remodeling the gymnasium, it will be nothing less than a calamity ! fail to raise the necessary menas for its proper use during the school year. S. P. McCrea, Sec-Treas.

Passing of Coast Side Pioneer

James Woods, an old and respected pioneer of Halfmoon Bay, passed away at his home early yesterday morning at the advanced age of 90 years, after an illness of but a few weeks. The deceased was born in Ireland but at an early age came to this country. As a young man he crossed the plains to California and had quite an experience in the undertaking. At Utah his party was attacked by the Mormons, a severe struggle ensued, and after days of fighting, in which young Woods took a most important part, the enemy was repulsedand the party continued on its way to San Francisco. Mr. Woods owned a valuable ranch above Halfmoon Bay which he sold some time ago and retired from active business. His wife, Mary Woods, only proceeded him to the grave six months ago. The deceased was a man of the highest ideals, honored and respected by all who knew him. He was a brother-in-law of Mrs. P. J. Maloney of Menlo Park. County Clerk's Office Rushed

The county clerk's office at this time is the busiest place in San Mateo county. Clerk Nash and his force of able deputies are hard at work all day and far into the night preparing the copy for the printing of the register of voters, and when it is considered that there are over ten thousand citizens this year, the volume nof work to be accomplished may be realized. The copy must be accurately prepared and the proofs read and corrected without delay so that the printing may not be interrupted. Realizing that the election depends altogether on the issuance of the printed list of voters, Nash and his clerks are sparing neither energy nor time in getting out the work correctly. It is a hard, wearing task but it will be completed on time. In addition to this the routine affairs of the office are going on as usual and the public continues to have its important work done promptly, carefully and with courtesy. Nash has never failed in his duty to the public, therein lies his strength.

CITY COUNCIL HOLDS A SHORT BUSINESS SESSION

Home from his annual summer vacation, Mayor Merrill occupied the presiding officer's chair at the regular meeting of the city council Monday evening. Trustees Hahir and Tuchsen, however, were absent from the session and, probably for this reason, but little beyond routine matters were given consideration.

The only notable exception to this was the question of the permanent improvement of the County road in those portions not included in the work done by the county as a portion of the general highway system. Following a report from City Attorney Mansfield that he had secured from the supervisors the passage of an ordinance ceeding back to the city jurisdiction over those portions of the street which had not been paved with asphalt, the trustees determined that there should be no further delay in the work, which it is desired shall be completed before the winter rains set in and with this design iinstructons were given the City Engineer and the City Attorney to have prepared for action at the next regular meeting the necessary plans and resolutions for the actual commencement of legal proceedings for the ordering of the work done under public contract. As designed by the council, this will include the construction of concrete sidewalks, gutters and curbs and the oiling of the macadam portions of the highway. This would indicate that owners of property who will be liable for the cost of the improvements have but little time left in which to take advantage of the opportunity to have their work done by private contract and thus escape the additional cost of public proceedings. In order to secure this advantage, owners of property fronting on the street must make private contracts for the work during the coming week and in order that their property may be excluded from the public contract work they should notify City Attorney Mansfield of the making of contracts before Monday, August 17th. This is important, as when once the legal proceedings are commenced no further exceptions can be made

Upontheir own petition the American Gasoline Company was granted permission to install a spur track across Laurel street from the line of the Southern Pacific railway to block 23 of the Eastern Addition, upon which their warehouses and storage tanks are to be erected.

A petition was presented from the Pacific Gas & Electric Company, asking that they be granted a permit to erect a gas storage tank with a capacity of 500,000 cubic feet of gas on the property recently purchased from the Tacoma Mill Company at East Marshal and Jefferson streets. In presenting the petition Manager Forence of the local district urged that prompt action be taken, as it was the desire of the company to begin work at the earliest possible time. In making this request he stated that the proposed srucure was to be of the modern character, involving an expenditure of about $60,000 and that it was designed to park the unoccupied space and otherwise give the work an attractive appearance. While the proposed improvement was looked upon with considerable favor by the trustees present, it was considered that an opportunity should be given owners of property in that section to express an opinion and make known any objections which might appear to the work. With a view to affording this opportunity and at the same time avoiding as much as possible delay in making known their decision, it was decided to consider the application at an adjourned meeting to be held next Monday morning at 9:30, previous to the annual meeting of the trustees as a city board of equalization.

The ordinance formally granting to the American Gasoline Company permission to erect tanks and storage warehouses on block 23 of the Eastern Addition was given its second reading and finally adopted.

Trustee Sampson, chairman of the police committee recommended that no further action looking to the adoption of an ordinance prohibiting all night dances be taken at this time, stating that he had been assured by those interested that in the future care would be taken to exclude all objectionable features of these dances.

An adjournment was then taken until next Monday morning at 9:30, when after considering the application of the Pacific Gas & Electric Company the trustees will meet as a board of equalization to hear any objections that may be made to the city assessment rolls.

Honors to Judge Beatty.

H Beatty. Mr. Ross paid a glowing tribute to the dead jurist telling of his splendid character and of his great service to the bench and bar of the state. Mr. Ross was followed by Judge Fitzpatrick, who also spoke of the good deeds of the chief justice. John D. Willard, one of the young members of the local bar explained the consideration and kindness Judge Beatty showed the young lawyer. He was followed by Henry Ward Brown who delivered an eloquent eulogy and spoke feelingly of his long acquaintance with the dead jurist. James Sex of San Jose, who happened to be in court also paid a tribute to the departed judge. Mr. Ross' motion was spread in full upon the minutes of the court.
